Dear Boris:

We would like to thank you for a professional, hilarious, entertaining, and extraordinary performance at our National Sales Meeting on December 9, 2010.

As this performance was our main and final event of the week we were looking forward to a fun and enjoyable experience, however, you by far exceeded our expectations and left the audience in disbelief and at the edge of their seats throughout the entire show! You were very professional, easy to work with, prompt in your communication and displayed undying enthusiasm for your work. You are extremely talented and put smiles on our faces, while fully engaging the audience.

As all material used in the performance was catered to our audience it made the show highly entertaining. We received extremely positive feedback from our team and it was the highlight of our event. Hence, you gave us a fantastic event to laugh and remember for many years to come. We will have a hard time exceeding the expectations of our team next year.

We are grateful to have had the opportunity to host you at this year's National Sales Meeting and would highly recommend your services for both corporate and private functions. Please do not hesitate to contact me at (416) 739-5460 should you require additional references.

Warmest regards,
