**Re: Performance on January 11-13, 2004**

Hello Boris:

I just wanted to send you a letter to thank you for your performance last month, at our National Sales Conference at the Westin Harbour Castle Hotel.

As I suspected, the attendees had a fantastic time and thoroughly enjoyed your performance. Not only were they still talking about it for days afterward – but your name will certainly never be forgotten with this group.

I had the pleasure of experiencing your show several year's ago at a 5 city cross-Canada tour that we did, and was happy to see that your show had gotten even better!

Thank you again for entertaining us. I look forward to working together again soon.

Yours truly,

Telma
